Dear Tarek,

On behalf of the CURE Foundation, I would like to thank you for the successful work you are doing in raising funds for our Foundation through the CURE 365 Card. Your professionalism and customer service have encouraged many Canadians to adhere to this plan. We look forward to its continued growth. Your generous donation in support of the CURE Foundation is appreciated and will help ensure that not one life is lost to breast cancer due to a lack of funding.

Sincerely,

JoAnne Braun
